

Indian Pride

At Minooka Intermediate School, we like to reward students who exhibit strong character throughout the building. A few ways that we reward these students are, PRIDE Arrows, Quarterly Reward Parties, and Feathers in your Headdress. Another component of Indian Pride that we will be stressing this year is school and team spirit.

Quarterly Reward Parties

Teachers also keep track of students who exhibit strong character and responsibility throughout each quarter. Students can qualify to participate in a Quarterly Milestone Celebration. The criteria to qualify are below:

Quarterly Reward Parties Criteria:

5th Grade:

- All assignments are turned in
- Must be earning at least 76% in all subject areas
- No severe behavior referrals (In-School/Out of School Suspensions and other behaviors determined by administrator)

6th Grade:

- All assignments are turned in
- Must be earning at least 76% in all subject areas
- No severe behavior referrals (In-School/Out of School Suspensions and other behaviors determined by administrator)
- No more than two "No Dresses" for Physical Education

Feathers in Your Headdress

Feathers in Your Headdress are earned by 5th and 6th grade teams who consistently follow the rules during lunch. Each team has their own Indian head that is hung up in the commons. When a team has demonstrated appropriate lunchroom behavior, or goes out of their way to be helpful and kind, they will be rewarded with a feather. The team that has the most feathers at the end of the month earns 30 minutes of free time in the gym.

Spirit Days

Students at Minooka Intermediate are divided into teams, and each team is given a color. This year we are encouraging students to show pride for their teams by participating in school wide Spirit Days. Every Friday students are encouraged to wear Minooka spirit wear, Minooka colors of blue and white, or their team pride shirt. We will also hold quarterly assemblies. On these days students are encouraged to represent their teams by wearing their team color. The teams that show the most team spirit by having the largest number of students on that team participate each month will be awarded the "Spirit Stick" for that month. We look forward to seeing the halls flooded with team spirit!
